Pemberton Greenish to sponsor garden at Chelsea Flower Show

Pemberton Greenish is delighted to announce that the firm will be sponsoring a garden at the Royal Horticultural Society's Chelsea Flower Show in 2008.

This will be the first time we have sponsored a garden at the Show. The Show is to be held on 20 – 24th May 2008 at the Royal Hospital Gardens, Chelsea, London.

We are working with garden designer Paul Hensey of Elysium Designs to create a garden design suitable for an urban/city garden which will be entered in the small gardens Urban Gardens category. With several years of show gardens experience and an accumulation of Royal Horticultural Society medals from Hampton Court and Tatton Park, including gold, best in show and several silver gilts, Elysium were delighted that their entry for Chelsea was accepted by the RHS. The garden will be designed in conjunction with Knoll Gardens.

Images of the garden and further details will be provided during 2008.

Elysium was established in 2004 by Paul and Jane Hensey and is based in Clitheroe, Lancashire. They have undertaken many challenging garden design projects throughout the UK. The ethos of the company is not to apply a formula to work, but to realize a client's dreams through design. Paul's background in product design allows them to develop designs efficiently and with high attention to detail.
